

A special message from our President:
Dear Mopar fan, Michigan Mopar Muscle would like to thank you for visiting our display at this year's Autorama. Once again, we are both proud and excited to be a part of this prestigious event and look forward to the opportunity to share with you our passion for all things MOPAR.

Formed in early 2004 with the single idea of bringing together great people and great rides from all over Michigan, our core belief is that while all Mopars are classics in their own right, from a slant six Valiant to a Hemi Cuda, it's their owners, our members, who truly make them rare.

Over the years as our membership has grown, the list of shows and events where we can be found has grown as well. We participate yearly here at the Detroit Autorama, and enjoy front-row seats and ample club parking at the Woodward Dream Cruise! We sponsor "Mopars at Bakers" at Baker's restaurant in Milford, MI & participate in many local events including the Detroit Yacht Club, the Romeo Peach Fest and the CEMA show at the Walter P. Chrysler Museum. Our club makes yearly excursions to the Mopar Nationals in Columbus, OH, Mopars at the Red Barns in Hickory Corners, the All Chrysler Nationals in Carlisle, PA and the best way to end any season, a weekend at AutoFest in Frankenmuth, MI.

We're regulars at Baker's of Milford's weekly Sunday cruise-in, and have many club get-togethers throughout the year, including nights at the drive-in, a 4th of July lake picnic and a Christmas holiday dinner party to benefit Toys for Tots.

Whatever you choose to do you can always count on a warm welcome and a great time!

Please feel free to request an application from any of our club representatives here at the show. They'd be happy to answer any questions you might have about our club, our MOPARS, or probably anything else!

Since our inception we have always claimed to be the the "Friendly Car Club", and we mean it.

Why not come see for yourself?

Sincerely,
Leeroy Simpson
